- **1** package (8 oz) cream cheese, softened

<https://www.pillsbury.com/recipes/stuffed-crescent-roll-carrots/be57f530-3070-4a8a-b3bd-2548fde9cb05>

## Steps

- 1** Heat oven to 400°F. Roll sheets of foil from shorter ends into cone-shaped molds. Unroll dough on work surface; if using crescent rolls, press seams to seal. Use pizza cutter or knife to cut dough lengthwise into 8 (1-inch) strips.
- 2** Wrap 1 strip around each foil mold to create carrot shape. Place 1 inch apart on ungreased cookie sheet.
- 3** Bake 7 to 9 minutes or until golden brown. Transfer to cooling rack; cool completely before removing foil molds.
- 4** In medium bowl, beat cream cheese, parsley, chives, lemon peel and salt with electric mixer on medium speed until smooth and combined. Pipe or spoon cream cheese mixture into cavity of each crescent. Top with 2 sprigs parsley for carrot top.

**Tip 1** Gently twist foil molds for easier removal from crescents.

**Tip 2** Swap cream cheese mixture with your own favorite filling, such as egg salad or chicken salad.

# CHICK FINGER PUPPETS

## Supplies needed to make your finger puppets:

*yellow and orange cardstock paper*

*3/4-inch circle punch (1/2-inch might be better for toddlers)*

*googly eyes*

*yellow feathers*

*glue*

## Instructions for making this simple chick craft:

- 1.** Start by cutting out a 3-inch circle and a 2 1/2-inch circle out of your yellow cardstock paper. Use your 3/4-inch circle hole punch to cut out two circles at the bottom of the 3-inch circle for your finger slots.
- 2.** Glue your 2 1/2-inch circle onto your 3-inch circle to make the chick head and body. Make sure to keep the finger holes at the bottom of the chick.
- 3.** Cut a diamond shaped beak out of your orange cardstock paper and glue it onto your chick face. Then glue googly eyes onto your chick.

- 4.** Finish your chick by gluing small yellow feathers onto the sides for chick wings. You might also like to glue a small amount at the top of the chick's head too.

Now these adorable chick finger puppets are all ready for imaginative play!

Simply place two fingers into the finger slots at the bottom of the chick and have fun making your little chick cheep and chirp.

# HE IS RISEN

**When they looked up, they saw that the stone, which was very large, had been rolled away. As they entered the tomb, they saw a young man dressed in a white robe sitting on the right side, and they were alarmed.**

**“Don’t be alarmed,” he said. “You are looking for Jesus who was crucified. He has risen! He is not here.”**

**Mark 16:4-6**

# The Resurrection

On the first day of the week, very early in the \_\_\_\_\_, the woman took the spices they had prepared and went to the tomb. They found the \_\_\_\_\_ rolled away from the tomb, but when they entered, they did not find the \_\_\_\_\_ of the Lord Jesus. While they were wondering about this, suddenly two men in clothes that gleamed like lightning stood beside them. In their fright the women bowed down with their faces to the ground, but the men said to them, “Why do you look for the \_\_\_\_\_ among the dead? He is not here; he has \_\_\_\_\_! Remember how he told you, while he was still with you in Galilee: ‘The Son of Man must be delivered over the hands of sinners, be crucified and on the \_\_\_\_\_ day be raised again.’” Then they remembered his words.

When they came back from the tomb, they told all these things to the Eleven and to all the others. It was Mary Magdalene, Joanna, Mary the mother of James, and the others with them who told this to the apostles. But they did not \_\_\_\_\_ the women, because their words seemed to them like nonsense. Peter, however, got up and \_\_\_\_\_ to the tomb. Bending over, he saw the strips of linen lying by themselves, and he went away, wondering to himself what had happened.
